The applicants must prove that they have held the shares for at least 90 days prior to the date of receipt of the request and that they will hold the shares until the decision of the Executive Board on the request, whereby section 70 of the German Stock Corporation Act (AktG) applies when calculating the period of share ownership. The day of receipt of the request shall not be counted. A postponement from a Sunday, Saturday or public holiday to a preceding or following working day shall not be considered. Sections 187 to 193 of the German Civil Code (BGB) shall not apply mutatis mutandis.

Requests for additions to the Agenda that have to be published will be announced in the Federal Gazette immediately after receipt of the request. They are also published on the Internet at <https://www.siltronic.com/en/investors/annual-general-meeting.html> and communicated to the shareholders entered in the share register in accordance with Section 125 (2), (1) sentence 3 of the German Stock Corporation Act (AktG).

These shareholder rights are based on the following provisions of the German Stock Corporation Act (AktG):

Section 122 Convening a meeting at the request of a minority

- (1) *A shareholders' meeting shall be convened if shareholders whose holdings amount in the aggregate to one-twentieth of the share capital request such a meeting in writing, stating the purpose and the reasons of such meeting; such request shall be addressed to the executive board. The articles of association may provide that the right to require a shareholders' meeting to be convened shall be linked to a different form or to a lower portion of the share capital. The applicants have to prove that they have been shareholders for at least 90 days prior to the day of the receipt of the demand and that they will continue to hold the shares until the decision of the executive board regarding their request is made. Section 121(7) shall apply correspondingly.*
- (2) *Equally, shareholders whose holdings amount in the aggregate to one-twentieth of the share capital or a proportionate interest of €500,000 may require items to be placed on the agenda and published. Each new item must be accompanied by an explanatory statement or by a draft proposal. Requests within the meaning of sentence 1 must be received by the company at least 24 days, and in the case of listed companies at least 30 days, prior to the meeting; the day of receipt shall not be included.*
- (3) *If such a request is not complied with, the court may authorize the shareholders who made the request to convene a shareholders' meeting or publish the item concerned. At the same time, the court may appoint the chair of the meeting. The notice of the meeting or the publication must refer to the authorization. An appeal may be brought against the ruling. The applicants have to prove that they will continue to hold the shares until the decision of the court is made.*
- (4) *The company shall bear the costs of the shareholders' meeting and, in the case of subsection (3), the court costs as well if the court has approved of the application.*

Section 121 General Provisions (excerpt)

- (7) *In case of deadlines and dates which are calculated back from the date of the meeting, the day of the meeting itself shall not be included in the calculation. Adjourning the meeting from a Sunday, Saturday or a holiday to a preceding or following working day shall not be an option. Sections 187 to 193 of the German Civil Code (Bürgerliches Gesetzbuch) shall not be applied analogously. In case of unlisted companies, the articles may provide for a different calculation of the deadline.*

Section 70 Calculating the Shareholding Period

If the exercise of rights from a share depends on the shareholder having held the share for a certain period of time, the right to demand transfer of title from a credit institution, a financial services institution, or an enterprise operating in accordance with section 53(1) sentence 1 or section 53b(1) sentence 1 or (7) of the German Banking Act (Gesetz über das Kreditwesen) shall be considered equivalent to ownership. The period during which the share was owned by a predecessor in title shall be attributed to the shareholder, provided that the latter has acquired the share without consideration, from the latter's fiduciary, as the universal successor, on the liquidation of a community, or on a transfer of assets in accordance with section 13 of the German Insurance Supervision Act (Versicherungsaufsichtsgesetz) or section 14 of the German Building and Loan Associations Act (Gesetz über Bausparkassen).

2. Motions and nominations by shareholders pursuant to Sections 126 (1), 127 of the German Stock Corporation Act (AktG)

In addition, the Company may refrain from making a countermotion or election proposal accessible in the cases set out in Section 126 (2) or (3) of the German Stock Corporation Act (AktG).

Countermotions or election proposals by shareholders which are to be made accessible pursuant to Section 126 or Section 127 German Stock Corporation Act (AktG) shall be deemed to have been made at the meeting if the shareholder making the countermotion or submitting the election proposal is duly authorized and has registered for the General Meeting in accordance with the requirements set out in the notice convening the meeting.

DETAILED EXPLANATION OF AGENDA ITEMS NOT REQUIRING A RESOLUTION

(Section 124a, sentence 1 No. 2 of the German Stock Corporation Act (AktG))

The Agenda stipulates the following agenda topic no. 1 which does not require a resolution:

Presentation of the adopted separate financial statements, the approved consolidated financial statements and combined management report of Siltronic AG and the Siltronic Group as at December 31, 2021 as well as the report of the Supervisory Board for the 2021 fiscal year and Executive Board's Explanatory Report of the disclosures made pursuant to sections 289a and 315a of the German Commercial Code (HGB)

No resolution on this Agenda Item is intended, as the Supervisory Board approved the annual and consolidated financial statements prepared by the Executive Board on March 8, 2022 and the annual financial statements are thus adopted (Section 172 of the German Stock Corporation Act (AktG)).

Pursuant to Section 173 of the German Stock Corporation Act (AktG), the Annual General Meeting only adopts the annual financial statements if the Executive Board and Supervisory Board have decided to leave the adoption of the annual financial statements to the Annual General Meeting or if the Supervisory Board has not approved the annual financial statements. This applies analogously if the Supervisory Board of a parent company (Section 290 (1), (2) of the German Commercial Code (HGB)) has not approved the consolidated financial statements.

A resolution by the Annual General Meeting is therefore not required.
